

Paul Harris Matching Funds Pool

District 5450 has established the Paul Harris Matching Funds Pool to encourage Rotarians in District 5450 to significantly increase their unrestricted donations to the Rotary Foundation through the Annual Programs Fund. All matching is **above** the annual level of \$100.00 as required to be a Rotary Foundation Sustaining Member.

Recognition points in the pool will be used to match **cash** contributions by members of District 5450 as long as their cash gift and the district match gets them to their first or next Paul Harris Fellowship level **and the member makes a commitment to start or continues giving at least \$50.00 per quarter, from now on.** Matches will not be made for Polio Plus donations.

Recognition points available from the Pool will be made available on a first come, first served basis until such time as the recognition points are all committed.

For details contact your club's Foundation Chair.

To make the match happen efficiently, please do the following:

1. Make checks out to: The Rotary Foundation
2. Please accompany the check with a completed form 123EN (donor contribution form)
3. Mail check and completed form and your contact information (including email) to:
Tom Maier
4624 Red Deer Trail
Broomfield, CO 80020

If you have questions, contact Tom Maier, District Foundation Annual Giving Co-Chair
